

FLAP DELINEATOR

- Flap Declinators are ideal to separate bus bay, side road etc.
- Its unique design and properties of plastic helps it to maintain its shape and sturdiness even after several hits by vehicles
- Highly reflective tape on both sides of flap and two reflectors on both sides of base make it clearly visible from safe distance

Model	Height	Base
FFD	283	120 mm x 170 mm

All Measurement in MM.

Since the material is polymer 2% tolerance to be considered
