

CONVEX MIRROR / TRAFFIC MIRROR

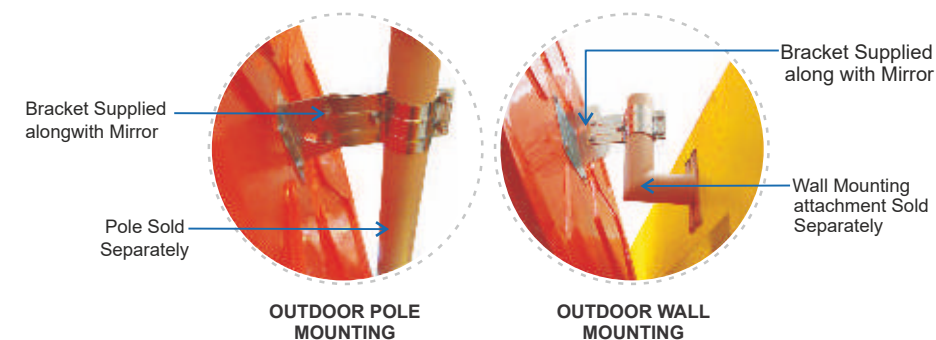

Traffic Safety Convex Mirrors are easy to install – they are mounted simply and easily with the brackets. Wide-angle vision permits you to see around blind corners and into hidden corners. These Polycarbonate Convex mirrors need to be placed at strategic locations to avoid collision of vehicles. Made from a durable sheet of Polycarbonate, these convex mirrors provide year-long vision. We are one of the largest convex mirror suppliers in India.

Key Features:

- 130 degree of viewing angle
- For internal and external purposes
- Light weight and secure fixing
- Made of one piece polycarbonate lens which is damage resistant
- Brim and back holding plate is metal / FRP
- Polycarbonate Convex Mirrors are 200 times stronger than glass
- Not affected by any type of light ray
- Will not produce toxic fumes if burnt
- Ideal for areas prone to vandalism
